

A Message From the Principal, Mrs. Paula Massanari
January 2009

Dear Members of the UCFSD Community,

My first official day as the new principal of Unionville High School will be January 8, 2009. I am absolutely delighted to be given the opportunity to serve this community. Your commitment to academic excellence, as well as to the development of the “whole child” in the areas of art, music, clubs, and athletics has made UCFSD a place where students learn and grow academically, socially and emotionally. I plan to continue this dedication to nurturing the social and academic needs of all students.

I believe the entire school community shares a common goal; we’re all here to help students learn and succeed. Our job as parents, teachers, staff and administrators is to facilitate student learning – learning about various subjects, themselves, the world. My hope is that every graduate of UHS would look back fondly on his/her time with us, knowing that every adult valued each student and challenged all children to work to his/her highest potential. I invite each of you to partner with the UHS staff to support our students so that they may learn to “think critically and act responsibly.”

If there is ever a time that you wish to speak to me or meet with me regarding a concern, suggestion, or question that you have about your child or our educational program, please feel free to contact me via email at pmassanari@ucfsd.org or by phone at (610) 347-1600 x3026.

Thank you. I wish you a happy New Year, filled with peace, joy and fulfillment.

Sincerely,

Paula Massanari
