UNIONVILLE HIGH SCHOOL PARKING RULES AND REGULATIONS

The Unionville-Chadds Ford School Board adopted the following rules and regulations covering the operation of vehicles on school grounds:

I. NEED FOR SYSTEM OF TRAFFIC CONTROL ON SCHOOL GROUNDS

Being aware of our responsibility for the safety of all boys and girls attending, and persons working or visiting the school, as well as for the protection of all public and private property, we of the Unionville-Chadds Ford School Board feel that a well-defined policy governing the use of public and private vehicles on school grounds is required.

Therefore, in order that lives and property be protected, the following rules and regulation have been adopted concerning the use of vehicles on school property during school hours and during school activities conducted at times other than the school day. It is to be noted that although the requiring of school vehicle permits is limited to students, all persons driving on the grounds (including staff, faculty, and visitors) will be required to abide by these same regulations.
