*High School Students Seeking Adventure!*

*Live in Taiwan, Brazil, Germany, ....!*

Every year, about 8,000 young people from around the world participate in Rotary's Youth Exchange Program.

With Rotary's Youth Exchange Program you will travel to another country, learn a new language, and experience the culture in this new land. You will live with host families as you learn about their history and continue your high school education.

As an unofficial ambassador for Rotary, your community and your country, you will help bring the world closer together while you're making lifetime friends.

If you will be between 15 ½ and 18 ½ before next August, and this experience sounds like something you would like to learn more about please contact:
